### Responsibilities of Captain/Manager

The Captain/Manager acknowledges that he has read the Rules & Regulations and hereby agrees that he and the rest of his/her team will abide by them.

The Captain/Manager, on behalf of all the members of his team (comprising a maximum of 8 players in the squad), hereby undertakes that Seasoned Pro Pte. Ltd, organisers of Singapore United, its employees and/or agents (hereon known as "The Organisers") will not be held responsible and/or made liable for any: **(i) death(s); (ii) personal injury(ies); (iii) loss of property(ies); and/or (iv) damage to property**, which may arise by way of any individual participating in any football match, league and/or event organised or facilitated by The Organisers.

Singapore United is a tournament promoting integration. As Organisers, we expect the matches to be played competitively but in a fair manner. There is nothing wrong with strong team spirit but physical violence and verbal abuse will not be tolerated in any circumstances. Any team found guilty of violence and/or using language that is judged to be discriminatory (in terms of race, language, nationality, religion) will be immediately disqualified from the tournament, with no refund of registration fees. All disciplinary action shall be at the discretion of the Organisers.

The exemption from liability applies regardless of whether the above is self-inflicted, or caused by any other person connected or unconnected to The Organisers' schedule of activities.

Turnout, discipline, attire, safety and/or any other related issues of the team are to be handled by the Captain/Manager. The Organisers shall not interfere in the workings of the team.

**FOR WORLD CUP TEAMS:** A player is eligible to participate for a country if he was born in, is a current citizen of, or has at least one grandparent from that particular country. Captain/Manager to email photographic proof for each player (eg. Passport, National Identity Card, etc) to [rasvinder@singaporeutd.com](mailto:rasvinder@singaporeutd.com). If a player qualifies for more than one country, he can only represent one country at the tournament. If a country submits more than 1 team, only the players registered can play for that particular team. In other words, a player can only play for 1 team.

**FOR CORPORATE TEAMS:** All players of a company team must be a freelancer, independent contractor or a full-time employee of that particular company. Each squad should have a fair mix of Singaporean and foreign players. Captain/Manager to email documentary/photographic proof of employment & citizenship to [rasvinder@singaporeutd.com](mailto:rasvinder@singaporeutd.com). There is no limit to the number of teams a company can submit. If a company has more than 1 team participating only the players registered can play for that particular team. In other words, a player can only play for 1 team. If a team is short of players, we may allow up to 2 outsiders (ie. not an employee/freelancer/independent contractor of that company) to play.

For either category, all players must be Singapore residents. In order to be flexible & allow maximum participation, Singapore PRs can be counted as either "Singaporeans" or "foreign residents". Current professional players are not allowed to participate. Teams found fielding ineligible players will be automatically disqualified with no refund of fees.

Registration for teams **closes on 4<sup>th</sup> July 2019, while deadline for payment is 10<sup>th</sup> July 2019**. We will allow registration changes right up to just before your first scheduled match but any changes must be accompanied by the appropriate documentation as mentioned above. An invoice will be sent to you upon receipt of this registration form. Tournament rules will also be sent separately. Note: This is a rain or shine event.
