The screenshot displays the ZB Online website interface. At the top, there is a navigation bar with links for '用户登录', '订阅', '每日速递', '订户专区', '电子报', and '免费精选'. Below this is a banner for '联合早报' (The Business Times) with the slogan 'BE AMONG THE BEST IN BUSINESS' and the website URL 'www.timesbusinessdirectory.com'. A secondary navigation bar includes categories like '订户首页', '新加坡', '中国', '国际', '东南亚', '财经', '体育', '言论', '早报现在', and '娱乐'. The main content area features a news article titled '新加坡国际商会鼓励会员 废除年龄标签及提倡循环经济' (Singapore International Chamber of Commerce encourages members to abolish age labels and promote circular economy). The article text states that the SICC's 2019 goal is to encourage members to remove age labels, improve leadership, and promote a circular economy. It also mentions that the SICC announced its strategic direction at a press conference, with CEO Victor Mills citing his own experience of a 22-month unemployment period as a reason to value and improve human resources based on ability rather than age. A sidebar on the right contains an advertisement for 'M1 Fibre Broadband from just \$29/month' and a '热门' (Hot) news section with a list of headlines such as '泰国大选: 非正式选举周一公布 民主党败选阿比猜辞魁' and '亚历山大路致命车祸 死者女儿: 我的死得冤枉'.
