

Press Release

6 June 2022

Dr. Bicky Bhangu was elected Chairman of the Chamber's Board of Directors today at its 181st Annual General Meeting. Dr. Bhangu is President, South East Asia, Pacific and South Korea for Rolls-Royce Singapore Pte Ltd and will be the Chairman of SICC for the 2022-2025 Board term. He succeeds Mr. Per Magnusson, Group CEO Jebsen & Jessen Pte Ltd, who completed his 3 year term as Chairman today.

Dr. Bhangu commented:

"I would like to thank Per for his dedication, guidance and exemplary leadership as Chairman for the last three years. I am honoured to be elected Chairman of SICC and look forward to working with my colleagues on the Board and in the Secretariat to serve all our members and progress our Chamber."

Mr. Victor Mills, Chief Executive of the Chamber remarked:

"This is another transition in the life of Singapore's longest-serving, independent business association. I echo Bicky's thanks to Per and look forward to working with Bicky and the Board over the next 3 years to help our members and meet their needs."

About Singapore International Chamber of Commerce (SICC)

Founded in Singapore in 1837, SICC's purpose was and still is to help businesses and Singapore succeed. Its diverse members form an inclusive, silo-free, ecosystem with an edge where members connect, collaborate, engage, learn, share and succeed. 50% of Chamber members are Singaporean owned businesses and 50% foreign owned. Half are large organizations including multinationals and half are medium, small and start-up companies from all sectors of the economy.

The SICC ecosystem champions anti-ageism in the workforce and in society for commercial and societal success. SICC also champions positive workplace culture where employers and employees co-create and sustain workplaces where foreign and local talent are integrated, developed and enabled to excel to achieve personal and commercial success.

SICC's annual business awards celebrate collaborative innovation because that is often the fastest way to innovate and succeed. Last, but not least, SICC advocates the transitioning of businesses and society to circular models of production and consumption to achieve true sustainability for our planet and species in a circular economy.
