

## PRESS RELEASE

### New Chairwoman

**30 October 2023** – The Chamber is pleased to announce the succession of a new Chairwoman with immediate effect until AGM 2024.

Ms. Dawn Tan Ly-Ru, Managing Director Ashurst ADT Law, is someone Chamber members and the wider community already know well. She has served on the Chamber's Board of Directors for over 8 years and is the co-chair of the Chamber's very active and positively impactful Legal Services Interest Group.

Ms. Tan succeeds Dr. Bhangu who stepped down as Chairman on 27 October 2023 due to a significant increase in work responsibilities at Rolls-Royce Singapore Pte Ltd including a significant increase in planned business travel.

### About Singapore International Chamber of Commerce (SICC)

Founded in Singapore in 1837, SICC's purpose was, and still is, to help businesses and Singapore succeed. Its diverse members form an inclusive, silo-free, ecosystem with an edge where members connect, collaborate, engage, learn, share and succeed. 50% of Chamber members are Singaporean owned businesses and 50% internationally owned. Half are large organizations including multinationals and half are medium, small and start-up companies from all sectors of the economy.

SICC champions positive workplace culture where employers and employees co-create and sustain an environment which outlaws discrimination of all kinds, including ageism, for individual, team, commercial and societal success. Directly linked with this is a focus on leadership at all levels including self-leadership.

The Chamber's annual business awards celebrate and learn from collaborative innovation because that is the fastest way for any business to innovate and succeed. Last, but not least, SICC advocates for the transitioning of businesses and society to circular models of production and consumption to achieve true sustainability for our planet and species in a circular economy.
